PEERLESS™

PRINCIPAL FUNCTIONING AGENTS

| | |
|---|---------------|
| Methyl Esters of C16-C18 Fatty Acids, Polyalkyleneoxide Modified Polydimethylsiloxane, Alkylphenol Ethoxylate | 100.0% |
| TOTAL | 100.0% |

GENERAL INFORMATION

PEERLESS is a 100% active premium blend of highly effective surfactants and modified spray oil. Because **PEERLESS** contains organosilicones, it provides superior spreading, penetration and activation of herbicides and defoliants. It offers faster, more uniform distribution of active material on the leaf surface than conventional spreaders. The vegetable oil ensures complete penetration through the waxy leaf cuticle. **PEERLESS** can be used with wettable powders, emulsifiable concentration or solution formulations of most of the pesticides now on the market. Utilize a jar test if compatibility is questionable.

DIRECTIONS FOR USE

Preparation of spray material

- 1 Fill spray or mix tank with 1/2 to 3/4 of the desired amount of water. Start mechanical or hydraulic agitation.
- 2 Add the required amount of pesticide.
- 3 Add the required amount of **PEERLESS** and continue agitation until a uniform pesticide application.

NOTE: Maintain constant agitation of the spray mixture during standing and application to assure uniform pesticide application. Add the remaining volume of water and mix contents thoroughly.

APPLICATION RATES

DILUTE RATES

GROUND APPLICATION: 3-5 pt (48-80 oz) per 100 gallons of spray solution in combination with the recommended pesticide.
AERIAL APPLICATION: 4-6 pt (64-96 oz) per 100 gallons of spray solution in combination with the recommended pesticide.

CONCENTRATED RATES

GROUND APPLICATION: 4.8-8 oz per acre in 10 gallons of spray solution.
AERIAL APPLICATION: 6.4-9.6 oz per acre in 10 gallons of spray solution.

STORAGE AND DISPOSAL

Store in cool, dry place in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes, skin, and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink, or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. **In case of fire:** Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. **First Aid:** If exposed call CHEMTREC or refer to the SDS First Aid section. **If on skin:** Take off contaminated clothes immediately. Rinse skin with water.

NOTICE

Manufacturer warrants that **PEERLESS** conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if **PEERLESS** is used in any manner or under any condition other than those specifically set forth on the label.
