PEERLESS

PRINCIPAL FUNCTIONING AGENTS

Methyl Esters of C16-C18 Fatty Acids, Polyalkyleneoxide Modified Polydimethylsiloxane, Phospholipids, Alkylphenol Ethoxylate100.0%
Total100.0%

GENERAL INFORMATION

PEERLESS is a 100% active premium blend of highly effective surfactants and modified spray oil. Because **PEERLESS** contains organosilicons, it provides superior spreading, penetration and activation of herbicides and defoliants. It offers faster, more uniform distribution of active material on the leaf surface than conventional spreaders. The vegetable oil ensures complete penetration through the waxy leaf cuticle. **PEERLESS** can be used with wettable powders, emulsifiable concentrations or solution formulations of most of the pesticides now on the market. Utilize a jar test if compatibility is questionable.

DIRECTIONS FOR USE

Preparation of spray material

1. Fill spray or mix tank with 1/2 to 3/4 of the desired amount of water. Start mechanical or hydraulic agitation.
2. Add the required amount of pesticide.
3. Add the required amount of **PEERLESS** and continue agitation until a uniform pesticide application.

NOTE: Maintain constant agitation of the spray mixture during standing and application to ensure uniform pesticide application. Add the remaining volume of water and mix contents thoroughly.

APPLICATION RATES

DILUTE RATES

GROUND APPLICATION: 3-5 pt (48-80 oz) per 100 gallons of spray solution in combination with the recommended pesticide.

AERIAL APPLICATION: 4-6 pt (64-96 oz) per 100 gallons of spray solution in combination with the recommended pesticide.

CONCENTRATED RATES

GROUND APPLICATION: 4.8-8 oz per acre in 10 gallons of spray solution.

AERIAL APPLICATION: 6.4-9.6 oz per acre in 10 gallons of spray solution.

STORAGE AND DISPOSAL

Store in a cool, dry place in original container. DO NOT FREEZE. Keep container tightly closed. Do not reuse empty container. Triple rinse then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes and skin. Avoid breathing vapors or spray mist. Wear eye/face protection and protective gloves. Do not eat, drink, or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation. Keep away from open flame. In case of fire, use dry chemical fire extinguisher to extinguish. FOR A SPILL, LEAK, EXPOSURE, OR FIRE INVOLVING THIS PRODUCT, CALL CHEMTREC (800) 424-9300 (24 HRS)

FIRST AID

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes and continue rinsing. If on skin: Take off contaminated clothing immediately. Rinse skin with water for 15-20 minutes. If symptoms persist, contact a poison control center or doctor for treatment advice.
