TRIELEMENT

GUARANTEED ANALYSIS

Cobalt (Co).....	0.27%
Molybdenum (Mo).....	6.00%
Nickel.....	0.55%

Derived from: Sodium Molybdate, Cobalt Sulfate, Nickel Sulfate

GENERAL INFORMATION

TriElement is intended for use as part of a total fertilizer program and may, by itself, provide all nutrients required by crops.

APPLICATION RATES

FOLIAR, SOIL APPLIED, OR FERTIGATION: Apply 4–64 oz/acre. Consult your local crop advisor or AgXplore representative for crop-specific rates and application recommendations. Utilize a jar test if compatibility is a question.

STORAGE AND DISPOSAL

Store in a cool, dry place in original container. Avoid freezing. Keep container tightly closed. Do not reuse empty container. Triple rinse then offer container for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations. Dispose of unused material and wastewaters in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS

Ensure good ventilation of the work station. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Take all necessary technical measures to avoid or minimize the release of the product on the workplace. Limit quantities of product at the minimum necessary for handling and limit the number of exposed workers. Provide local exhaust or general room ventilation. Wear personal protective equipment. Floors, walls and other surfaces in the hazard area must be cleaned regularly. Do not breathe dust/fume/gas/mist/vapors/spray. Avoid contact with skin and eyes.

FIRST AID MEASURES

First-aid measures general

If exposed or concerned: Get medical advice/attention. Call a poison center/doctor/physician if you feel unwell.

First-aid measures after inhalation

Remove person to fresh air and keep comfortable for breathing. If experiencing respiratory symptoms: Call a poison center or a doctor.

First-aid measures after skin contact

Wash skin with plenty of water. Take off contaminated clothing. If skin irritation or rash occurs: Get medical advice/attention.

First-aid measures After eye contact

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.

First-aid measures after ingestion

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a physician immediately.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

Manufacturer warrants that this product conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. No employee or agent of AgXplore International, LLC, the manufacturer of this product, nor the seller, is authorized to vary the Conditions of Sale and Limitation of Warranty and Liability. Buyer assumes all risk if this product is used in any manner or under any condition other than those specifically set forth on the label. To the extent permitted by law, the Buyer's or User's exclusive remedy for any injury, loss, or damage resulting from handling or use of this product shall be limited to one of the following, at the discretion of AgXplore International, LLC: Direct damages not exceeding the purchase price of the product or replacement of the product. AgXplore International, LLC and the seller of this product shall not be liable for consequential, special, or incidental damages or losses, nor damages in the nature of a penalty.
