JETTE 80/20™

PRINCIPAL FUNCTIONING AGENTS

Alkyl Polyethoxy Alkylene Esters and Other Derivatives	80.0%
Inert Ingredients	20.0%
Total	100.0%

HAZARD STATEMENT

Harmful if swallowed. Causes serious eye irritation.

GENERAL INFORMATION

JETTE 80/20 is a superior nonionic, low-foam surfactant. It acts as a spreader and activator when used with insecticides, herbicides, and fungicides. It is designed for quick wetting, more uniform droplet distribution and increased spray retention on leaf and stem surfaces.

DIRECTIONS FOR USE + APPLICATION RATE

Use 1-2 qt (32-64 oz) per 100 gallons of water.

Aerial Application: Follow chemical label directions including a minimum water volume per acre. Do not substitute **JETTE 80/20** for water required by the chemical label.

MIXING INSTRUCTIONS

Carefully read and follow directions on the label of the chemical with which **JETTE 80/20** is to be used. For local recommendations, consult an agricultural authority or mix in this order.

1. Dry flowable chemicals
2. Wettable powder chemicals
3. Flowable chemicals
4. Water-soluble chemicals
5. Emulsifiable concentrate chemicals
6. Add **JETTE 80/20** and continue agitation

STORAGE AND DISPOSAL

Store in a cool, dry place in original container. **DO NOT FREEZE.** Keep container tightly closed. Do not reuse empty container. Triple rinse then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state, and federal regulations.

PRECAUTIONARY STATEMENTS

Avoid contact with eyes and skin. Avoid breathing vapors or spray mist. Wear eye/face protection and protective gloves. Wear safety glasses with side shields. Do not eat, drink, or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation. Keep away from open flame. In case of fire, use dry chemical fire extinguisher to extinguish.
FOR A SPILL, LEAK, EXPOSURE, OR FIRE INVOLVING THIS PRODUCT, CALL CHEMTREC (800) 424-9300 [24 HRS]

FIRST AID

If in eyes: Hold eye open and rinse gently with water for 15-20 minutes. Remove contact lenses, if present, after 5 minutes and continue rinsing. If on skin: Take off contaminated clothing immediately. Rinse skin with water for 15-20 minutes. If symptoms persist, contact a poison control center or doctor for treatment advice. If swallowed: Contact a doctor or poison control center immediately. Do not induce vomiting unless told to do so by a doctor or poison control center.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

Manufacturer warrants that this product conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty nor any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. No employee or agent of AgXplore International, LLC, the manufacturer of this product, nor the seller, is authorized to vary the Conditions of Sale and Limitation of Warranty and Liability. Buyer assumes all risk if this product is used in any manner or under any condition other than those specifically set forth on the label. To the extent permitted by law, the Buyer's or User's exclusive remedy for any injury, loss, or damage resulting from handling or use of this product shall be limited to one of the following, at the discretion of AgXplore International, LLC: Direct damages not exceeding the purchase price of the product or replacement of the product. AgXplore International, LLC and the seller of this product shall not be liable for consequential, special, or incidental damages or losses, nor damages in the nature of a penalty.
