

# ZINC 10%™

## GUARANTEED ANALYSIS:

0-0-0

Sulfur (S) . . . . .5.0%

Zinc (Zn) . . . . .10.0%

Derived from Zinc Sulfate

## WARNING

KEEP OUT OF REACH  
OF CHILDREN

### GENERAL RECOMMENDATIONS:

ZINC 10% is designed for use in all liquid fertilizers (except aqua ammonial) and suspensions as a soil application. Utilize a jar test if compatibility is questionable.

### DIRECTION FOR USE:

ROW or BAND APPLICATION:

Apply 1-2 Quarts ZINC 10% per acre just before or at planting time.

BROADCAST APPLICATION:

Apply 2-4 Quarts ZINC 10% per acre just before planting and work into top 3-5 inches of soil.

FOLIAR APPLICATION:

Apply 1-2 pints per acre with a minimum of 20 gallons of water throughout the growing season.

### MIXING INSTRUCTIONS:

PESTICIDES: Follow this sequence

1. Water; 2. Chelate; 3. Pesticide

Agitate to assure proper mixing; always jar test with new combinations.

FERTILIZER: Follow this sequence

1. 1/3 of fertilizer; 2. Chelate; 3. Balance of fertilizer

Agitate to assure proper mix.

### NOTE:

The addition of 0.5% N as urea of total solution may be added to aid leaf absorption.

Optimum rate of application will vary between fields, depending on soil pH and organic matter content. For best results, follow soil test or plant analysis recommendations.

Approximate weight per gallon: 10 pounds

Chelating Agent: Citric Acid, EDTA

ZINC 10% contains 1 pound of chelated Zinc per gallon.

### STORAGE AND DISPOSAL

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

### PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.

### NOTICE

*Manufacturer warrants that Zinc 10% conforms to its chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if Zinc 10% is used in any manner or under any condition other than those specifically set forth on the label.*
